Danny good morning. Just wanted to touch base and request a few updates.

- What's the status of the RWA
- What is the Bid schedule
- Provide an updated schedule or confirm the previous schedule is correct
- Will the AE provide Construction Administration - review submittals, RFI's, and attend construction meetings
- Status of the 100% completed and approved design documents, do you require any further information from FERC
- Who do you plan on inviting to the Project kick off meeting. Just wanted to confirm FERC attendees

Thank you,

Terry L. Lamb, Sr., FMP
